

Year 7 and 8 Big Test Week Beginning 2nd June

Dear Students & Parents/Carers,

Year 7 and 8 will be having their Big Tests in each subject area following their return after half term. This will ensure that we can see how well students are remembering what they have learnt and allow teachers to plan appropriate intervention, if required, to close any gaps. Students should revise these in preparation over the coming few weeks. Subjects may be providing revision materials to support this. Tests will take place during normal lessons and be no longer than an hour. Staff have identified revision topics and shared these with students.
